

The October American's For **Homeopathy Choice**

# Buyer's Guide

## Welcome To The October 2022 AFHC Buyer's Guide!

Over the years, AFHC has become a source of information and connections for all kinds of homeopathy users. One way that we continue our cause is by raising support from businesses and organizations. To this end, connecting our supporters with the resources available from our business donors and homeopathy community seemed like a sensible step. So, once a quarter (as a service to you, our dedicated followers) we are providing you with a Buyer's Guide.

Below you can find some featured homeopaths, homeopathy resources, and other businesses that have come to help support AFHC in many ways. We hope you enjoy this quarterly resource! Thank you for your support of homeopathy!
